The online meeting of Physics BOS was held on 10th January 2022 at 6.00pm.

Dr Sangita Meshram, HOD of Physics, welcomed all the BOS members and explained the agenda of the meeting. Madam presented the proposed SY BSc Physics syllabus in front of the BOS.

Mr. Sunil Amrutkar suggested to add introduction to Diesel generator in this syllabus. Through discussion it was finally decided if possible to introduce practical exposure of this component may be through field visits, which was seconded by all the present BOS members and approved the syllabus as it was proposed.

Mr Abhishek Dani presented the proposed MSc Part I Physics syllabus in front of BOS. He explained the added and deleted portion of the syllabus. The same was seconded by all the present BOS members and approved in the meeting.

Mr. Abhishek Dani also presented the proposed syllabus of certificate course on “Basics of C++”. The entire board agreed with the suggestion by Prof. Ajay Chaudhari, suggested to introduce project for an internal assessment along with one assignment instead of two assignments. With this correction, the entire board seconded and approved the course.

Examination panel was read by Dr Sangita madam. Dr Milind Jog raised query that there should be one external examiner in the panel. It was decided to take this decision on the basis of college policy decided by Academic Council.

The vote of thanks was given by Dr. Mrs. Ujwala Gokhe.
