CERTIFICATE

This is to certify that **Ms Maithili Sawant** has carried out her internship at the Indian Institute of Science Education and Research Tirupati, for the duration dated from 8th November 2021 to 21st November 2021. She has been of great assistance in the fieldwork carried out for the project titled: “Modified Landscapes in Tropical Mountains and Their Regenerative Role for Native Biodiversity”, handled by Jobin Varughese, a scholar with Dr VV Robin. She completed her internship surveying forests and plantations in Valparai Forest Range. She helped finish bird surveys and vegetation sampling in over 10 plots spread across the wooded landscape.

Ms Maithili Sawant is a dedicated and hardworking person and has taken part in the fieldwork with sincerity. She was quick to understand the work and grasp the concepts behind them. She was selected from over 50 applications and became one of the best interns we had.

We wish her all the best in his future endeavours.

Dr V. V. Robin

Assistant Professor
