Department of Chemistry of VPM's B. N. Bandodkar College of Science (Autonomous), Thane arranged online Parents-Teachers meeting to upgrade and aware the parents regarding their ward progress.

Meeting began with welcome of all parents and introduction of all teachers by the Dr. Anita Goswami-Giri, Head of the Chemistry department. Madam explained Parents-Teachers together will enrich the student's for socially responsible citizen. For it, college and department takes various step for all round development of students.

Madam presented all activities conducted by college and stressed upon the carrier after chemistry higher education. Hence, students need to attend all lectures and practicals to clear their fundamentals. Due to industrial demand, department designed certificate course for the T.Y.B.Sc students. Students also need to take participation in the course running by the department. Various institute are having entrance examination for their admissions, regularly their site also need to check along with college website. Madam said all teachers uploaded study material in google classroom and also posting in the social media.

She informed about schedule of Semester V practical examinations. Parents asked offline opening of college, whether exam will be conducted by university or college, regarding competitive examination etc. Dr.Goswami-Giri, Dr.Wagh, Dr.Kahandal cleared all doubts of parents and guided them. Madam said dept. also conducts lectures for IIT JAM. Dr.Bhumkar informed them about laboratory safety and carrier guidance's is already conducted for the students in beginning of the semester. The meeting was concluded at 7.00 PM.

Outcome: Parents teachers interaction was fruitful. Parents were happy regarding activity conducted by the department and also carrier guidance, student's behaviour, punctuality, and disciplines in attending online lectures.
