Total Teachers Participation: 09

Department of Chemistry of VPM's B. N. Bandodkar College of Science (Autonomous), Thane arranged online Parents-Teachers meeting to upgrade and aware the parents regarding their ward progress.

The Head of the Chemistry department Dr. Anita Goswami-Giri welcome all parents and asked all teachers to introduce themselves to parents. Madam explained the main purpose of Parents-Teachers meeting.

Madam suggested parents to ask their ward to attend all lectures and practical's and inform them about the attendance record of student. She also asked all whether students are having any queries in relation to gazettes for attending lectures and practicals. She said students should read online notices along with social media because all important circulars posted online website. She also gave college website for the information. She gave information about various activities-conferences/workshops, online books, various study material etc. Very good discussion about Students behaviour, punctuality, and disciplines in attending online lectures was taken place between teachers and parents.

Madam presented ppt. presentation to all parents regarding all activities conducted by Chemistry department for the growth of students along with departmental infrastructural facilities, and oriented them all online activities.

She informed about online practical examinations dates for Semester III. The queries address by head regarding importance of certificate course, projects doing by the students. Biochemistry carrier, Dr. Bhumkar guided about carriers in chemistry, Dr. Wagh guided about competitive examination. Dr. Kahandal explained about procedures of conducting online practicals and theoretical lectures by our department.

Mr. Shahid Pathan asked about online lecture and concept related matter, many parents asked about competitive examination, carriers all teachers cleared all doubts of parents. The meeting concluded at 6.00 pm.

Outcome: All parents were very happy regarding all activities and academic care taken by teacher's such as digital library in google classroom, various activities conducted by dept. for their wards development.
