

**VPM'S B. N. BANDODKAR COLLEGE OF SCIENCE (AUTONOMOUS), THANE**

**DEPARTMENT OF CHEMISTRY**

**Institutional visit to ICT Matunga (Mumbai)**

**Visit Report**

<b>Name of the activity</b>	Institutional Visit to ICT, Matunga Mumbai
<b>The objective of the activity</b>	<ul style="list-style-type: none"><li>• To explore diverse career pathways and specializations within the field of chemistry through the exchange of ideas and perspectives.</li><li>• To understand advanced technologies and methodologies utilized in chemical sciences by engaging in discussions and knowledge-sharing.</li><li>• To gain in-depth knowledge of the chemistry of dyes and their applications in the textile industry through collaborative learning and dialogue.</li></ul>
<b>Organizing department</b>	Department of Chemistry.
<b>Date</b>	03/10/2024
<b>Venue</b>	ICT lab (Matunga Mumbai)
<b>Mode</b>	Offline
<b>Details of Research Persons</b>	Dr. Sandeep More
<b>Key Recipients</b>	F.Y.B. Sc. And S. Y. BSc. Students
<b>Remarkable Outcome</b>	<ul style="list-style-type: none"><li>• To study the chemical mechanisms and reactions involved in the dyeing process through experimental and research-oriented approaches.</li><li>• To acquire practical experience in the application of dyes to various fabrics, enhancing technical and analytical skills.</li><li>• To gain comprehensive knowledge of the dye and textile industry, including its innovations, challenges, and industrial practices.</li></ul>
<b>Details of Participants</b>	Participants were from F.Y.B.sc Students

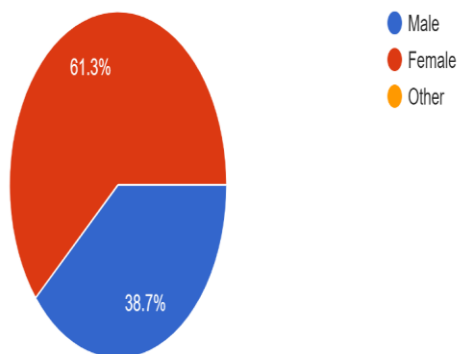

<b>Total Number</b>	No. of students – 49  Male - 19  Female – 30
