INTERNSHIP LETTER

To Whomsoever It May Concern

This is to certify that Ms.Yagya Kuldip Singh Bhandari successfully completed a 10 - days internship on "In -Silico Drug Designing organized by Department of Biochemistry in collaboration with Career Scope Labs from 16th August - 29st August 2024. During this internship, Ms.Bhandari demonstrated remarkable dedication and acquired substantial knowledge and practical skills in the field of in-silico drug designing. The program covered various aspects including computational tools, simulation techniques, and bioinformatics approaches essential for drug designing research. We commend Ms.Bhandari for the hard work, enthusiasm, and professional conduct observed throughout the internship period. The experience and skills gained during this program will undoubtedly contribute significantly to future endeavors in the field. We wish Ms.Bhandari all the best in future pursuits.

CERTIFICATE

TO WHOMSOEVER IT MAY CONCERN

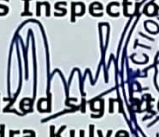

This is to certify that **Ms. Shravani Chipade**, T.Y.B.Sc(Biochemistry) student of B.N.Bandodkar college of science, Autonomous, Thane (W) has successfully completed her 1 month Internship during period 04/11/2024 to 04/12/2024 in **QSS Inspection and Testing Private Limited**, Navi Mumbai.

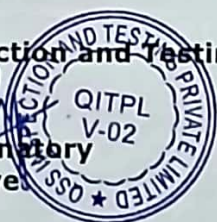

During this period, She had worked in the Analytical laboratory (NABL accredited) Department : **physical**, Analysis carried out for Parameters viz. Refraction, Moisture, etc., **chemical** : Analysis carried out for test parameters viz. protein, fat, carbohydrate, energy, etc., Wet Analysis : Water, Test Parameters : pH and conductivity, TSS, TDS etc, Microbiological analysis such as Total Plate Count (TPC), Yeast and Mould (YMC), E.coli, Coliform, Shigella, as per Indian standard methods. All the above parameters are required for analysis of food and food products. Learnt Basic Principles of Instruments such as HPLC (High performance Liquid chromatography), GC (Gas chromatography), ICP-OES (Inductive coupled plasma-optical emission spectroscopy) and their working were demonstrated and hands-on practice of sample preparation of above instruments were given.

We wish her all the best in all her future endeavors.

Thanking you,

CERTIFICATE OF EXPERIENCE

To whom it may concern

This is to certify that Ms. Simran Ramesh Nishad has successfully completed an internship of 1 month at our laboratory. Ms. Simran's work was articulate and with high quality. She was working with us in the company as an intern from 4/11/2024 – 4/12/2024 and excelled in the duties and completed several tasks and assigned projects successfully.

During this period, her works were found to be satisfactory in carrying out the following duties such as receiving samples, filled out worksheets with detailed information, adhering to established protocols and procedures. Samples were then set up according to standardized methods, and performed processing, including antimicrobial sensitivity testing, with precision and accuracy.

She handled various instruments such as VITEK 2 Compact, BacT/ALERT 3D, GeneXpert, Autoclave, Hot air Oven and light microscope. She performed various other tasks such as sample processing, AST and microscopy as well as report making in software.

Qualities Observed: Committed to work, Problem solving skills, good communication skills, Hardworking, Good patience, Leadership as well as listening qualities.

We are sure that her passion and dedication will help her excel in whatever she choose to do next in her life. She have shown good commitment throughout her time with our company.

We wish Ms. Simran Nishad all the best for their future endeavors.
