12. Dr. Ms. V. D. Manjramkar (I/c Principal)

Agenda 1: To Read and Confirm the minutes of the meeting held on September 13, 2023

Minutes of the earlier meeting held on September 13, 2023 were read and confirmed.

Agenda 2: Submission of PM Usha Proposal

The proposal sent under the scheme of PM Usha was informed and presented to the members of CDC committee. If received, how to go for utilization of funds were discussed.

Agenda 3: Any other matter

1. I/c Principal Dr. Manjramkar informed about non-working instruments. Due to no utilization during COVID period, certain instruments / computers are in not working / repairing condition. These instruments / computers are required to be written off and removed. Committee members allowed initiating the Write Off process, with all norms getting followed.

2. As a part of NEP 2020, departments are required to conduct excursions. All departments are required to inform to conduct at least a excursion / Industrial Visit in an academic year. The fees for same should be collected from students once the excursion is decided.

3. I/c Principal informed about query from teaching staff members regarding publication fees. It has been observed that in multiple conferences, to publish a paper, fees are charged. Since these publications contribute in Institution name, whether Institute can pay the fees?

CDC members disagree with the demand as publications are not always in reputed journal / conference. However if publication is worth and also in prestigious journal / conference, then such publication can be think of as special case. But all publication fees will not be entertained.

4. I/c Principal and IQAC Coordinator Dr. Ms. Manjramkar informed about the AQAR to be submitted for academic year 2022-2023.

To Read and confirmed
