

VPM's B.N. Bandodkar College of Science (Autonomous), Thane

Name of activity	Workshop on Career Opportunities in Chemistry
Objectives of the activity (maximum 40 words)	The workshop aimed to explore and highlight the various opportunities available in the different fields for chemistry subject
Organizing department/s	Chemistry
Collaborative institute	NA
Date (DD / MM / YYYY)	03/07/2025
Venue	Room No 1, Building No 7, VPMs B N Bandodkar College of Science(Autonomous), Thane.
Mode (Online/Offline/ Hybrid)	Offline
Details of Resource Person/ Speaker (name, designation, institute)	1. Dr Ajit N Bhumkar, HOD and Associate Professor, Department of Chemistry, VPMs B N Bandodkar College of Science (Autonomous), Thane. 2. Dr Pralhad Wagh, Assistant Professor, Department of Chemistry, VPMs B N Bandodkar College of Science (Autonomous), Thane.
Key Participants	SYBSc and TYBSc Chemistry Students
Remarkable outcomes / key take away messages (max. three)	Both the speakers have introduced the opportunities in the field of industry and research with skills are required to acquire good positions. By doing master of science in the chemical science field students can get the opportunities to work at quality control and research and development sections of many pharmaceutical, polymer and textile industries. Dr Ajit Bhumkar sir also highlighted opportunities available in chemistry subject in institutes like DRDO, NCL and CSIR. Dr.Pralhad Wagh explained that the career in chemistry in India has been untapped for several years. But with industry prospects for careers changing, there is an increasing demand in this career field. Hence, Chemistry graduates and postgraduates are highly in demand by international pharmaceutical industries. He added that there are many opportunities in the government sectors like Forensic Science department, Food and Drug department, ONGC, RCFL, lab technician positions at government institutes are also available for the chemistry students. Sir also explained the importance of SET/NET examination require to become a Assistant Professor in the chemistry subject. He also talked on opportunities in the field of research like to pursue Ph.D degree from the various institutes like TIFR, ICT, IITs, CMET, IISER, etc.
Details of Teachers participants	M 01
Details of Student participants	M14 F 37
Outsiders	-
In-house	-
Additional information	Students interacted with the speakers and obtained the information related to opportunities in the various field of chemistry in detail.
Name of Co-ordinator	Dr Ajit Bhumkar, Dr Pralhad Wagh
