DEPARTMENT OF CHEMISTRY

ACTIVITY REPORT (2025-26)

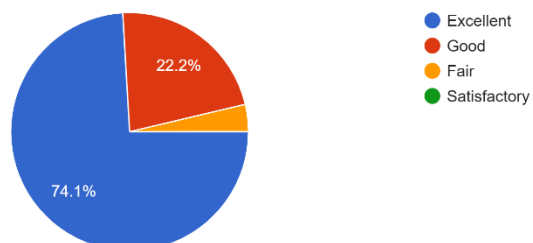

Name of the activity	Urja Club Inauguration
Objective of the activity	The primary objective of this Urja Club activity is to ignite scientific curiosity among students by exploring landmark discoveries and their cultural context. Through Dr. Suvarn Kulkarni's talk the session aims to: • Provide insights into the historical journey of scientific discoveries and their impact on society. • Highlight the interconnection between ancient chemical practices and modern scientific advancements. • Encourage students to appreciate the role of pioneers in shaping the fields of chemistry and physics. • Foster critical thinking by linking energy, matter, and discovery to present-day applications and sustainability.
Organizing department	Chemistry
Date	12 rd September 2025
Venue	Patanjali Hall
Mode	Offline
Details of Research Persons	Dr. Suvarn Kulkarni
Key Recipients	FYBSc, SYBSc, TYBSc, MSc I & II Chemistry Students
Remarkable Outcome	• Students connected ancient chemistry with modern discoveries like X-rays and nuclear science. • Enhanced curiosity about the historical journey of scientific milestones. • Developed critical thinking on the role of discoveries in shaping society. • Fostered pride in ancient knowledge systems and their relevance today.

NOTICE

Date: 08/09/2025

Inauguration of the Chemistry Urja Club

The Department of Chemistry is pleased to announce the inauguration of the **Chemistry Urja Club**, aimed at fostering curiosity, innovation, and collaboration among students passionate about the chemical sciences.

We are honored to have **Dr. Suvarn Kulkarni (IIT, Bombay)** as the **Guest of Honour**, who will grace the occasion and inaugurate the Urja Club.

Date: 12/09/2025

Time: 10.00 am To 11.00 am

Venue: Patanjali Hall, B N Bandodkar College of Science, Thane west

All faculty members and students are cordially invited to attend this event and be a part of this new journey in scientific exploration and engagement.
