Details of Resource Person/ Speaker (name, designation, institute)	Dr. Jamdhade, Dr. Kumavat, Mr. Ozare, Dr. Agnihotri Department of Botany, VPM's B. N. Bandodkar College of Science (Autonomous), Thane (West)
Key Participants	F.Y. Major and Minor Botany students
Remarkable outcomes / key take away messages (max. three)	<ul style="list-style-type: none"> During the under graduate study, students are required to acquaint with laboratory techniques. To cater this requirement Department has taken an initiative by conducting this Bridge Course. Under this course, First year students were learned about effective use of glassware and chemicals for their regular practicals. Use and functioning of the simple and compound microscopes was also part of this course. They were also introduced to different instruments in the laboratory. Analysis and measurement of different biomolecules could be done by using these instruments.
Details of Teachers participants	M - 2 F - 2 T-4
Details of Student participants	M - 11 F - 25 T- 36
