Subject: Ability Enhancement Course (Foundation Course)

Name of the paper: Awareness for Social Positive Change

Class: SYBSC

Preamble: In this paper title 'Developing Awareness for Social Positive Change' (Foundation Course) subject there are topics from several streams from political science, civics, sociology, Public Administration and other social fields. There is detailed information about the various aspects of different section in society. Students learn about moral human values and the importance of Great Indian Culture. Constitution of India is learned with Fundamental duties and Fundamental Rights and various aspects in the constitution. Topics from civics, political system and structure are studied by the students for general awareness. Ways to solve the social problems are learned by learning to be the Best social citizens with best contribution for the development of the society.

In today's world understanding various social issues is essential for fostering a more better understanding of the society. This syllabus aims to provide students with a comprehensive overview of key topics related to social awareness. The students will develop the knowledge and skills necessary to become active and informed participants in addressing social challenges. How to lead a best life by doing the best with positive mind for the society is learned in this subject. Assignments on various topics from entire syllabus is made by the students and hence they are able to study and understand more easily about social aspects of the society. Thereby, the students knowledge increases at a higher level.

Course Outcome:

- 1) Students become socially aware citizens of the society with high knowledge of Indian culture in all aspects.
- 2) Students learn to write assignments in best hand writing thereby improving their writing skills
- 3) Students get a very nice opportunity to learn interesting topics from all fields, thus extending their understanding towards a social topic at a greater depth.

- 4) There is a high standard of moral human values developed in the students, so that they become the dynamic citizens of the society.
- 5) Students will get connected to the rich Indian culture in all aspects in society.
- 6) Students will become aware of geographical environment.
- 7) Students will gain knowledge of the Indian Rural and Urban Society.
- 8) Students will become aware about importance of participation in social process of society for the development of the society.

Mode of conduct: Offline lectures / Online lectures.

Program Specific Outcome:

Students will have better understanding of the social development related aspects. They will develop the best human qualities for the development of the society.
