**Notice**

**Date: 08/11/2025**

All the students are hereby informed that the Department of Chemistry is organizing an engaging event entitled "**Chemistry Journal and Movie Club Activity**" on 10/12/2025 at 10:00 am in classroom no. 1.

The objective of this program is to encourage students to explore the fascinating world of chemistry beyond textbooks through interactive journal presentations and educational chemistry-based movies. The session aims to develop scientific curiosity, analytical thinking, and communication skills among students.

Students will have the opportunity to present selected chemistry journals, discuss recent advancements in the field, and participate in an interactive discussion following the movie screening.

All students of the department are encouraged to attend and actively participate in this academic and recreational activity.
