INTERNSHIP LETTER

To Whomsoever It May Concern

This is to certify that Ms. Darshika Rajendra Kurkure has successfully completed a 10 - days internship on "In -Silico Drug Designing organized by Department of Biochemistry in collaboration with Career Scope Labs from 16th August - 29st August 2024. During this internship, Ms. Kurkure demonstrated remarkable dedication and acquired substantial knowledge and practical skills in the field of in-silico drug designing. The program covered various aspects including computational tools, simulation techniques, and bioinformatics approaches essential for drug designing research. We commend Ms. Kurkure for the hard work, enthusiasm, and professional conduct observed throughout the internship period. The experience and skills gained during this program will undoubtedly contribute significantly to future endeavors in the field. We wish Ms. Kurkure all the best in future pursuits.
