

Certificate of Completion

Ashwamedh Treatment Transit Centre, Masale Belpada, Murbad, Thane

This is to certify that Mr. Aditya Vijay Kale (PRN: 2024420462), a student of Biodiversity, Wildlife Conservation and Management (BWCM) from VPM's B.N. Bandodkar College of Science, has successfully completed a 30-day On-Job Training Program at Ashwamedh Treatment Transit Centre (Ashwamedh TTC) from 10th February to 10th March 2025.

During this period, Mr. Kale actively participated in various activities related to wildlife rescue, care, and rehabilitation, including the cleaning and maintenance of enclosures, preparation and distribution of species-specific diets, water and habitat management, and observation of animal behavior. He showed commendable interest, responsibility, and adaptability throughout the training.

His dedication and enthusiasm toward conservation and animal welfare were evident, and he contributed meaningfully to the daily operations of the center. His efforts were appreciated by the staff and contributed positively to our mission of wildlife protection and rehabilitation.

We acknowledge his successful completion of the training and wish him all the best in his future endeavors in the field of wildlife conservation.
