

Certificate of Completion

Ashwamedh Treatment Transit Centre, Masale Belpada, Murbad, Thane

This is to certify that Mr. Anurag Mukund Phatak (PRN: 2024420461), a student of Biodiversity, Wildlife Conservation and Management (BWCM) from VPM's B.N. Bandodkar College of Science, has successfully completed a 30-day On-Job Training Program at Ashwamedh Treatment Transit Centre (Ashwamedh TTC) from 10th February to 10th March 2025.

During this period, Mr. Phatak actively engaged in various aspects of wildlife care, rescue, and rehabilitation, including the cleaning and sanitization of animal enclosures, species-specific food preparation and distribution, water management, and close observation of wildlife behavior. His performance was marked by diligence, teamwork, and a strong commitment to the responsibilities entrusted to him.

Mr. Phatak exhibited a genuine interest in animal welfare and field-based conservation work. His contributions were valuable to the center's operations and positively reflected the objectives of the training program.

We recognize his successful completion of the training and extend our best wishes for his future contributions in the field of environmental conservation.
