

B N Bandodkar College of Science (Autonomous) Thane

Innovation Cell

INNOVATION AMBASSADOR

Seven faculty members have successfully completed the **Innovation Ambassador Programme** conducted under the **Innovation Cell of the Ministry of Education, Government of India**. This programme aims to nurture a culture of innovation, entrepreneurship, and problem-solving among educators, enabling them to guide students effectively in developing innovative ideas and startups. Through this initiative, our faculty members have gained valuable insights into design thinking, innovation management, intellectual property rights, and startup ecosystem development. Their participation reflects the institution's strong commitment to fostering an innovation-driven academic environment and aligns with the national vision of promoting creativity and entrepreneurship in higher education.
