

## VPM's B. N. Bandodkar College of Science (Autonomous), Thane

<b>Name of activity</b>	<b>Metropolis Pathology Visit</b>
<b>Objectives of the activity (maximum 40 words)</b>	<ol style="list-style-type: none"> <li>1. To study sample collection, labeling, transportation, and biosafety measures followed in the laboratory.</li> <li>2. To learn about various pathology sections such as hematology, biochemistry, microbiology, histopathology, and immunology.</li> <li>3. To gain practical knowledge about automated analyzers, quality control, and reporting systems used in diagnostic pathology.</li> </ol>
<b>Organizing department/s</b>	Department of Biochemistry
<b>Collaborative institute</b>	-
<b>Date (DD / MM / YYYY )</b>	9/09/2025
<b>Venue</b>	Metropolis Pathology Lab Vidyavihar West, Mumbai
<b>Mode (Online/Offline/ Hybrid)</b>	Offline
<b>Details of Resource Person/ Speaker (name, designation, institute)</b>	-
<b>Key Participants</b>	T.Y.B.Sc. Biochemistry Students
<b>Remarkable outcomes / key take away messages (max. three)</b>	<ul style="list-style-type: none"> <li>• Enhanced knowledge of modern automated analyzers and advanced diagnostic techniques was given to students.</li> <li>• Awareness among students regarding biosafety protocols, quality control and ethical laboratory practices increased.</li> <li>• Students could relate theoretical concepts and their practical application in pathology.</li> <li>• Students were motivated to take up diagnostic laboratory sciences and allied health professions.</li> </ul>
<b>Details of Teachers participants</b>	M - 0 F - 2 T - 2
<b>Details of Student participants</b>	M - 5 F - 21 T - 26
<b>Outsiders</b>	-
<b>In-house</b>	28

## Feedback analysis

How was your Metropolis laboratory Visit (Select any one among the four options)

What was your takeaway from the Visit?

26 responses

Learnt about many new automated machines and visit was really informative

We learned about various types of clinical diagnosis including karyotyping and histopathology

The visit to Metropolis Laboratory provided valuable exposure to advanced diagnostic technologies and modern laboratory practices. I learned how accuracy, quality control, and timely reporting are maintained in real clinical settings. Observing the workflow and automation helped me understand the importance of precision, teamwork, and adherence to safety protocols in ensuring reliable patient care.

Knowledge about instruments

Information

About different instruments

Metropolis Lab provides reliable, accurate, and timely diagnostic services with advanced technology and a wide range of tests, ensuring quality healthcare support and trusted reports for patients and doctors.
