

Activity Report

Name of activity	Collection of Expired/ unwanted medicine for safe disposal
Objectives of the activity (maximum 40 words)	To sensitize the students about growing problem of antibiotic resistance and how they can participate in controlling unsafe drug disposal To make student spread the community awareness about need of antibiotic waste management
Organizing department/s	Department of Biotechnology and Microbiology
Collaborative institute	-
Date (DD / MM / YYYY)	Activity duration: August 2025 to October 2025 Handing over of collected medicinal waste : 19/11/2025
Venue	Department Laboratory
Mode	offline
Details of Resource person (name, designation, institution)	Dr. Kalpita Mulye
Key Participants	SYBScMicrobiology (21) and SYBSC Biotechnology (11) students
Remarkable outcomes/ key take-away messages (max. three)	Students visited their neighbourhood families (Approximate:50 each). They collected expired/ unwanted medicines from the households with consent and survey form records. A total of 51 Kilograms of expired / unwanted medicine stock was collected during August 2025 to October 2025 by 32 students and handed over for safe disposal to NGO – Rnisarg-Green Pharmacy initiative.
Details of participants	
Total Number	32
Outsiders	--
In-house	32 (Male : 6 Female: 26) Teachers : 03 (Guide) Non teaching staff :02 (helpers for executed Handing over)
Additional information	The procured GreenBin made the disposal extremely convenient as the NGO personels came on site with collection van.

Name of Coordinator/ teacher in-charge: Dr. KalpitaMulye, Dr.JayashreePawar
