Participants' Feedback:

- Overall experience was great it was nice to get the experience practically for more clarity enjoyed it and if possible want to visit again thank you for your valuable time making us more understandable in the depth
- This visit was an amazing learning experience. It helped us to understand the concepts clearly and sparked our curiosity to explore more.
- In the microbiology practical, many things became clear to us, and the ma'am explained everything in a very good manner.
- Enjoyed
- The microbiology specimens demonstration was a valuable learning experience. The clear explanations of each specimen, along with real-life clinical relevance, helped us understand their importance in diagnosing diseases. Special thanks to the instructor for making complex topics easy to grasp."
- It's was so knowledgeable
- Teaching method was good 🍌
- Our visit to microbiology lab was worth it.
- Overall good
- BohotAchalaga
- No any suggestion because demonstration is so good and understandable
- Every thing was very well organised and I understand everything the handling technic how the microorganism grow and thank for doing it in front of us the microb growth it was very helpful for us
- Very good
- Good
- Learn more from demonstration
- The overall session was great thanks to mam

Official letter received from Shrimati Vimladevi Khyalilalji Vagarecha College of Nursing Education:

	Shrimati Vimladevi Khyalilalji Vagarecha College Of Nursing Education, Thane Managed by Mahavir Jain Trust, Thane. It-10820 Affiliated to MUHS, Nashik and MSBNPE Mumbai (Government Approved)
MJT/SVKVCNE/ 2025/ Visit/ 101	Date :-12/07/2025
To, The Principal, B. N. Bandedkar College of science, Chendani, near CIDCO bus stop, Thane 400601	
Subject: Request for Permission – Microbiology Lab (Demonstration of specimen's slides) Visit on 25/07/2025 & 26/07/2025	
Respected Madam,	
At the onset I would like to extend my heart felt gratitude towards you and our team for your continued support in conducting academic experience for our students.	
As you already know that Mrs. Kalpita Muley, who is working as an external faculty member for the subject of Microbiology in our college, has suggested conducting a practical session in her college as a part of the syllabus.	
We truly appreciate her initiative and commitment to enhance student learning through practical exposure.	
We want to plan a two-day visit for our 60 1st-year GNM students, divided into two groups of 30 students each, on 25th July 2025 and 26th July 2025 .	
We kindly request your permission to allow our students to attend the practical sessions in the Microbiology Lab of your esteemed institute.	
We urge you to kindly consider our request.	
Awaiting your favourable reply. Thanking you in anticipation.	
Best regards	
 Principal Smt. Vimladevi Khyalilalji Vagarecha College of Nursing Education Balkun, Thane - 400 608.
