

IMPACT'27

**International Multidisciplinary Conference on Physics,
Applied Sciences and Cutting-Edge Technology**

22 - 23 JANUARY, 2027

Organized by

**Department of Physics,
Vidya Prasarak Mandal's
B. N. Bandodkar College of Science,
(Autonomous) Thane
NAAC Grade : A**

Fundamental Physics • Applied Sciences • Emerging Technologies

About the College

Vidya Prasarak Mandal's B. N. Bandodkar College of Science (Autonomous), Thane, established in 1969, is a premier science institution affiliated with the University of Mumbai. The college received academic autonomy in 2020 and is NAAC 'A+' accredited. It is committed to excellence in science education, research, innovation, and skill development while promoting quality through initiatives such as NAAC, AISHE, and NIRF.

About the Department

The Department of Physics at B. N. Bandodkar College of Science (Autonomous), Thane has been a part of the institution since its inception in 1969. The department offers B.Sc. Physics and M.Sc. Physics (Electronics specialization), supported by experienced faculty and well-equipped laboratories. With modern teaching facilities, research laboratories, and a PG coaching center, the department is committed to providing quality education, promoting scientific temper, and developing social awareness among students.

About the Conference

IMPACT'27 – International Multidisciplinary Conference on Physics, Applied Sciences & Cutting-edge Technology is a premier global forum that brings together the leading minds from academia, research, and industry. The conference is dedicated to advanced scientific knowledge by integrating fundamental physics with transformative technologies and real-world applications.

It catalyzes innovation, enabling participants to exchange ideas, present breakthrough research, and build strategic collaborations that shape the future of science and technology for the sustainable development of the humanity.

Conference Objectives

- Drive high-impact interdisciplinary research and innovation.
- Provide a global platform for cutting-edge scientific exchange.
- Strengthen collaboration among academia, industry, and research communities to contribute to social well-being and sustainable progress.
- Inspire the next generation of scientists, innovators, and leaders.

Conference Themes

Green Technologies	Advanced Functional Materials	Machine Learning
Environmental Physics	Nanoscience and Nanotechnology	Advanced Manufacturing and Industry 4.0
Food Sciences	Thin Films and Surface Science	Artificial Intelligence
Agriculture	Medical Physics and Biophysics	Internet of Things (IoT) and Smart Systems
Photonics	Energy Materials	Sensors and Automation
Quantum Technologies	Biotechnology	Computational Physics
Semiconductor Physics	Energy Storage Technologies	Robotics
Space Science	Green chemistry	Digital Technologies
Special focus on Indian Knowledge System (IKS)		
Ancient Indian Astronomy and Cosmology	Traditional Metallurgy	Ayurveda
Society & Sustainable Development		
Physics for Sustainable Development Goals (SDGs)	Science, Ethics & Peace	Disaster Risk Reduction Technologies
